SERMON NOTES

May 24, 2020

METROPOLITAN BAPTIST CHURCH

Rev. Arthur Connor Jr.

(Job 42:1-6)

Why does God allow bad things to happen to good people?

Note1: Seeing ourselves to be good creates the sense of entitlement that exempt us from suffering.

Note 2 :Satan can never do anything beyond the means of what God allows him to.

Note3: Having an accurate perspective of God dismantles our prideful demand while enabling us to trust and depend on him
